

Hope and Healing for Residential Care – New System Transition

Stage One

(ETA: June 2022)

Stage Two

(ETA: July 2022)

Stage Three

(ETA: July-Sept 2022)

- Teams will be moved from old system to new system keeping existing approval processes
- Learners who are part-way through their course will retain their progress
- Admins will receive instructions on how to add new learners to the new system
- Learners that have not completed their training AND have not logged in for more than 3 months will not be migrated

- Information Sessions run with organisations to understand new features
- Organisations begin planning for additional roles in the system to allow for in-system approvals

- Organisations moved one-by-one to H&H course with updated training features
- In-system training approvals will commence for all future learners
