WORKING TO END CHILD EXPLOITATION

WEBINAR SERIES

Tuesday 24th October 12-1pm

An Introduction into shifting the Paradigm, working to end child exploitation.

Child sexual exploitation (CSE) is a challenging and often misunderstood area of child protection. Join our Webinar to gain a better understanding of this subject. Explore its definitions and language, models of exploitation and grooming will be discussed as well as risk indicators and vulnerability.

Presenter/Conrad Townsend

Conrad is the Principal Advisor - Child Sexual Exploitation for IFYS, Project Paradigm and works tirelessly to combat the persistent prevalence of exploitation, trafficking and abuse against children across Australia.
