

# Child Safety Commission of Inquiry

## How to get involved

**The Inquiry wants to hear from children, young people, families, carers, and the community. Here is how you can contribute;**

### Write

Share your story or ideas by making a submission, anonymously if you wish

### Attend

Join a public hearing in person or watch the livestream or recording

### Meet

Take part in a community meeting or small group to talk about your experience

Learn about submissions and hearings

Get support for your mental wellbeing
